

MMC60 Assistive Switch

CUSTOM TOP GUIDE

Overview

This document shows the ten custom tops MMC has designed for the MMC60 Assistive Switch. The names of each button cap are the names of the files makers will access. Please note, the multiple colours in the images are for ease of distinguishing the textures on the buttons, but buttons will be printed in a single colour unless otherwise requested.

MMC60 Assistive Switch Custom Tops		
MMC60_Button_Cups.stl	MMC60_Button_Hex4.stl	MMC60_Button_Hex8.stl
		
MMC60_Button_Rings.stl	MMC60_Button_Rings2.stl	MMC60_Button_Spiral.stl
		
MMC60_Button_Gaming_A.stl	MMC60_Button_Gaming_B.stl	MMC60_Button_Gaming_X.stl
		
MMC60_Button_Gaming_Y.stl
